RE: Frechette v. Gaudette, et al.
Case No.: 2:17-cv-00172

Dear Ms. Berry:

By way of update per the court's order, just as it was at the time of my last update in December, at this time Scott Frechette's case is still pending in the First Circuit Court of Appeals. I gather that separate from the COVID delays that there may have been delays because of Scott's death and the need to substitute a personal representative, which has now been done. It is anyone's guess as to when the appeal will be decided, hopefully sooner rather than later so that we can keep this case and the Larry Ouellette case still on a rough track together.

Sincerely,

/s/ Walter F. McKee
